Participation Registration:

All participants, regardless of whether they will present research, must register through the conference registration system on the society website by September 30, 2026 (Wed.). Details regarding the registration procedure and opening date (scheduled for early August) will be announced later on the society website. If online registration is not possible, please apply via e-mail to Mana Kano-Nakata (mnakata@agr.nagoya-u.ac.jp).

Presentation Application:

Applicants wishing to present must apply through the conference registration system by September 11, 2026 (Fri.). Presenters must be members of the society (including student members) or members of affiliated societies. Abstract manuscripts should be prepared according to the instructions provided and uploaded as PDF files through the registration system by September 24, 2026 (Thu.).

Presentation Format:

Both oral and poster presentations will, in principle, be conducted on site. For oral presentations, only PC projectors may be used. Presenters must bring their own computers. Each presentation will consist of 12 minutes for presentation and 3 minutes for discussion.

Oral Presentations:

Projector cables (D-Sub15 and HDMI) will be provided by the secretariat; however, presenters are responsible for connecting their own devices. Please bring any necessary adapters.

Poster Presentations:

Posters should be displayed at the designated location by 12:00 noon on October 24 (Sat.).
